Our Covid-19 Reopening Plan includes:

- Maximum branch occupancy of **10** customers at any given time
- A disinfection and sanitation plan
- Physical distancing measures with floor decals marking 6-foot distance between customers
- Protective gear for employees
- Temperature & Symptom Checks on Employees
- We continually monitor federal, state and local health agencies to insure we have the latest information, recommendations and requirements.

We have made every effort to minimize the possibility of exposure to Coronavirus, but exposure cannot be completely eliminated.

What can you do?

- Avoid groups from entering the bank
- Do not enter if you feel sick
- A face mask is required
- Maintain a distance of 6-feet between people
- Leave at risk people at home when possible

Regardless of these precautionary measures, 1st Bank Yuma is committed to providing you the best service by offering numerous ways for you to safely and conveniently conduct your transactions with minimal interruptions. All alternative service options are still readily available, including drive-through lanes, online banking, mobile banking, telephone banking and ATMs.
